

REWARD

\$50,000

At approximately 10.30am on 13 June 2005, Mrs Margaret Kaye STEWART went walking in the Rimutaka Forest Park, south of the suburb of Wainuiomata, near Lower Hutt.

She has not been seen since and extensive enquiries have failed to locate her. It is strongly believed that she has been the victim of foul play and is now dead.

It is hereby notified that a reward of up to Fifty Thousand Dollars (\$50,000) will be paid for information which leads to the discovery of Mrs STEWART's body or for material information or evidence which leads to the conviction of the person or persons responsible for her disappearance.

The Commissioner of Police will determine the amount of the reward and will apportion it if there is more than one claimant.

An indemnity against prosecution will be considered for any accomplice – not being a principal offender responsible for her disappearance – who shall first give such information or evidence.

This offer shall remain in force until 13 July 2007.

Information should be supplied to the nearest Police Station.
